

PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

In consideration of the BLUE WATER FOUNDATION, their agents, owners, officers, volunteers, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "BWF"), I hereby agree to release, indemnify, and discharge BWF, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative, and estate as follows:

1. I acknowledge that my participation in guided boat tours activities entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks include, among other things: slips and falls; accidental drowning; boat capsize and entrapment; travel in remote areas; collision with objects or other watercraft; rapidly changing adverse weather and water conditions; watercraft is slippery when wet and accidents can occur getting on or off; exhaustion; exposure to the elements of the outdoors and natural surroundings which could cause cold water shock, hypothermia, hyperthermia (heat related illnesses), heat exhaustion, sunburn, dehydration; exposure to potentially dangerous wild animals, insect bites, and hazardous plant life; aggressive and/or poisonous marine life; passengers can be jolted, jarred, bounced, thrown about and otherwise shaken during rides; passengers can be thrown off the vehicles; equipment failure; accidents involving other vehicles; collision with fixed or movable objects; collisions, and flipping over; accidents or illness can occur in remote places without medical facilities; my own physical condition, and the physical exertion associated with this activity. Additionally, fatigue, chill and/or dizziness may diminish my/our reaction time and increase the risk of an accident.

Furthermore, BWF personnel have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather or other environmental conditions. They may give incomplete warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks. Additionally, I agree to wear a U.S. Coast Guard approved personal flotation device (life jacket) while participating in this activity.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless BWF from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of BWF 's equipment or facilities, **including any such claims which allege negligent acts or omissions of BWF.**

4. Should BWF or anyone acting on their behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

6. In the event that I file a lawsuit against BWF, I agree to do so solely in California, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining document shall remain in full force and effect.

7. The undersigned waives the protection afforded by any statute or law in jurisdiction whose purpose, substance, cause and/or effect is to provide that a general release shall not extend to claims, material or otherwise, which the person giving the release does not know or suspect to exist at the time of executing this release. This means, in part, that the undersigned is releasing unknown future claims and specifically waives the provisions of California Civil Code Section 1542 which provides: A general release does not extend to claims that the creditor or releasing party does not know or suspect exist in his or her favor at the time of the executing the release and that, if know by him or her, would have materially affected his or her settlement with the debtor or released party.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against BWF on the basis of any claim from which I have released them herein. I also agree that this document is valid for subsequent visits and participation at BWF. I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
